A Peer to Peer Based Forum

The D. Ramirez Forums are a web-based community provided by D. Ramirez to encourage interaction between owners of D. Ramirez products. In this peer-to-peer environment, forum users are encouraged to answer questions, share experiences and give advice to their fellow users. While D. Ramirez employees may occasionally post information, they are not expected to provide technical support or other official replies in the forum. Note - This doesn't reflect a change in policy. D. Ramirez forums and newsgroups have always been P2P based.

How to Contact D. Ramirez

All official product inquiries and technical support should be conducted via email or telephone. See your product manual, help file or the support web page for specific contact information. In short, we encourage you to tap into the expertise concentrated in this forum. The forum and its users are an amazing resource. But if you wish to conduct Technical Support or other official business with a D. Ramirez employee, please email or call.

Moderator Intervention

D. Ramirez has the right, but not the obligation, to monitor and/or moderate the D. Ramirez Forums. D. Ramirez reserves the right to change any or all other parts of this User Agreement at its sole discretion and without notice, including but not limited to implementing Rules of Conduct, Terms of Service and/or other measures. The D. Ramirez Moderator's goal is not to play Forum cop. They will make occasional changes and comments. We encourage you to send comments and suggestions using the report abuse tool in the main forum page. By registering with the D. Ramirez Forum, users agree that any post the moderators consider inappropriate may be removed at the moderator's sole discretion. Use of the D. Ramirez Forums is a privilege, not a right. D. Ramirez also has the right, at its sole discretion, to revoke board privileges at any time without notice.

Questionable Content

These are public forums and we ask that you behave as you would if you were in a public place. These issues are left to the discretion of the moderator, but may include any material that is knowingly false or defamatory, misleading, inaccurate, abusive, vulgar, hateful, harassing, obscene, profane, sexually oriented, threatening, invasive of a person's privacy, that otherwise violates any law, or that encourages conduct constituting a criminal offense. D. Ramirez is not responsible for messages posted on the D. Ramirez Forums or the content therein. Unless expressly stated otherwise, this includes messages posted by D. Ramirez personnel, agents, representatives et al.

Copyrighted Material

D. Ramirez forum users agree not to post any material that is protected by copyright, trademark or other proprietary right without the permission of the owner(s) of said copyright, trademark or other proprietary right.

Racial, Sexual, and Religious Attacks

The D. Ramirez forums are a large, diverse community. Please realize other posters are likely to hold different opinions than you. Since we embrace diversity and creativity, any attacks or hateful speech regarding race, religion, or sexual preference will not be tolerated, and repeat offenders will be banned.

Flaming, Bashing, and Trolling

Hate posts and personal attacks will not be tolerated on the D. Ramirez forum. Treat other forum members as you would like to be treated. Unproductive trash talk will be met with criticism and possible disciplinary action including banishment. The same rules apply to trolling and/or posting topics specifically to provoke a negative response.

Profanity

We encourage users of all age groups and beliefs, so please refrain from using offensive language. What's acceptable? If it's a word you hear on primetime network TV, it's probably acceptable.

Replacing a few letters with an asterisk or other symbols is not allowed.

Adult Content

We encourage users of all age groups and beliefs so please keep any images in the PG-13 category or they will be deleted, and the user warned.

Spam

Spamming the D. Ramirez forum with senseless, inane, or empty messages to increase your post count, or simply to aggravate, will not be allowed. This includes such things as chain letters and two-word "I agree" or "me too" responses. Continually posting the same topic on a particular board, and posting the same question across several forums is also considered spamming, and is a violation of this TOS.

Advertising

D. Ramirez does not allow any form of advertising, therefore promoting websites or products in the forum is inappropriate. Hyperlinks to 3rd party web sites are allowed only if they pertain directly to the discussion topic.

Piracy and Warez

D. Ramirez has a very strict policy against piracy and the illegal use of copyrighted material. Linking or giving information about any site that distributes illegal software, seeking help in circumventing copyright laws, possessing or distributing illegal copyrighted material, or encouraging software or media piracy are all grounds for account termination. This goes for all copyrighted material, including but not limited to software, music, videos and games. Please do not post serial numbers or CD keys in the Forums. We do not want to give people with illegal copies of D. Ramirez the ability to register.
